PASO ROBLES

2005 CABERNET FRANC

Signature Selection

Paso Robles

Winemakers Notes

This is an elegant vintage from our next-door neighbor Jim Smoot. A subtle wine with a finesse that begs one to search and reflect on the layered nuances...Explore the flavors of Franc's cherry-briar atop the background of Cabernet Sauvignon's earthy-cassis (note the 4.9% blend). With a full 24 months in French and American oak barrels, this wine has married well with integrated vanilla, wood spice, and balanced tannins.

Pair Bianchi Cabernet Franc with a lightly flamed flank steak! Franc, flank and you... a fine fandango. Enjoy.
