Vintage

Sultry, thick and Ruby red, inky but beautiful, bold pomegranate and magenta hues; nothing but Bianchi Petite Sirah could fit this description, and that is only describing it's appearance! Appetizing enough to ease the cravings of a vampire, this brand new Petite Sirah will not disappoint even our human customers. Sniff the sweet and bright berry aromas that waft out of the glass. Get a hint of acidity and tart that tingle the nostrils, you may even conjure up images of chocolate covered raspberries. Slowly sip this developing Petite Sirah and you will catch flavors of smoke, oak, cranberry fruit, black licorice and unsweetened dark chocolate. Our 2015 vintage has a medium minerality and tannins with a long finish; this is sure to develop over time into a longer and softer medium bodied Petite, recommended to cellar for 1-3 years, if you can wait that long!

Food Pairings

Pair our Petite with your favorite pot roast, slow cooked beef short ribs, or chili and cornbread.
