

# SHADOW RIDGE

## CABERNET SAUVIGNON

### Winemaker

Chris Stanton

### Vintage

Shadow Ridge Cabernet Sauvignon shows true to its varietal roots. Staying consistent to Shadow Ridge's fruit-forward style you will find a first impression of blackberry and cherry, followed by layers flavors and a hint of spice. Our Cabernet is designed to be full-bodied with soft tannins and noticeable acidity.

### Food Pairings

We'd definitely enjoy this Cab with New York Strip Steak, sautéed green beans and herb roasted potatoes.
